### July

- 12 Term 3 Starts

Hello Everyone,

It is great to have everyone back to school this week after our short lockdown. Our students settled back into routines quickly and were excited to see their classmates again. Thank you again for supporting your children and our school in moving quickly to remote learning and then through the return to school. We appreciated the challenges that it presents for our families and are very hopeful that will be the last time.

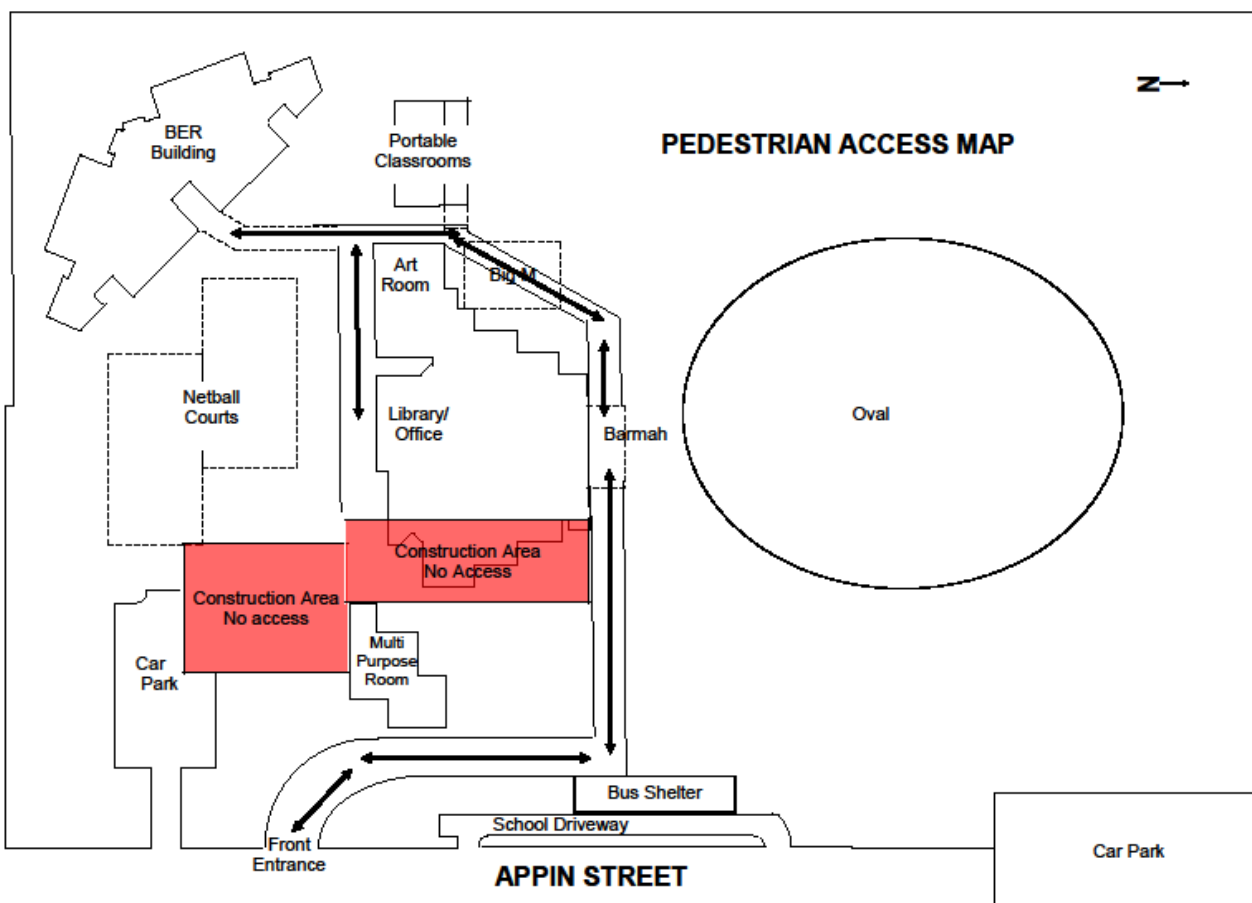

*We encourage everyone to be vigilant and follow Covid safe practices. If your children are unwell please keep them at home. We continue to ask parents and carers to avoid being on site or congregating on school grounds where ever possible, socially distancing from each other and continue to wear masks. If you need to come into school grounds please use the QR codes that are on doors and windows.*

Due to last week's lockdown the student free day that was planned for tomorrow, Friday 11<sup>th</sup> June, has been postponed. We will be moving it to a date in term 3 and will notify everyone as soon as possible. Breakfast Club will be postponed until term 3 due to limited access to the multipurpose room.

### Access to school

Access to school is difficult at present and will continue to be next week as the relocatable is being moved from site and concreting is being completed at the entrance of the new administration space. We strongly encourage drop off in the drive through. Access from the back carpark is restricted and now with the wet weather the oval is also becoming muddy around the edges. Please use the footpath along the front of school and enter via the main gate. There is no access via the staff carpark and we strongly advise not walking through the drive through area as it is not safe. The map below should help. Thank you for your patience. **Nobody is allowed on school premises this weekend from 6pm Friday until 6pm Sunday due to asbestos removal.**
