## Italiano at Appin Park...

Children have been learning how to use words and phrases to describe their appearance.

This week, students used their prior learning, as well as their listening and drawing skills, to follow instructions given in Italian to create pictures. Language focused on colors, numbers, and adjectives - for older students, we included body parts, clothing and verbs. Here is the work created by the 3-6 students... each grade had different instructions to follow - see how creative they were. Parents of F-2 children, yours should have come home with your child!

*Grazie, Lisa Gardner.*

### Wangaratta Messy Nativity Trail

We know that Jesus was born at Christmas time and that sheep were part of this story. One of the local Shepherds wants to go and see baby Jesus, but he can't find all his sheep can you be a Shepherd and help him find his lost sheep? There are 10 sheep lost in 10 different shops in Wangaratta and they need to be found before Christmas.

The first shop to visit is the Pet and Hobby Shop at 43A Ovens Street, where you will pick up a yellow envelope containing the list of shops to fill out and a picture to colour in. Collect 2 tiny sheep for your nativity, from this shop too. Be sure to bring a pen/pencil with you, to complete your sheet.

Parents are encouraged to do some Christmas shopping, while searching for sheep and supporting local businesses, in Wangaratta.

The Christmas Story is for everyone, and you are invited to share this journey with the Children and Families in your local community and beyond. This is an activity of the Wangaratta Uniting Church.
