Hello Everyone,

As term 2 draws to a close, Appin Park Primary School has been a hive of activity, both in and out of the classroom.

On Tuesday we saw the old relocatable administration and staff room being towed away. The site will be cleared, tidied up and replanted with lawn. The buildings works are very close to finishing. A new concrete path is planned to be poured early next week and a few other things will be worked on over the holidays. We are now hopeful of handover happening early next term.

Classroom teachers have had time this week to plan for term 3 learning. All students had the opportunity to participate in house tabloids on the basketball courts. Students in Foundation have been busy planning, constructing and trialling ramps and bridges as part of their STEM activities, while the grade 1 and 2 students have

been building different types of transport from boxes. The grade 3 and 4 unit today presented their cardboard arcade games with students from across the school coming to try them out. Our 5/6 students have continued with their Earn and Learn Quest and keeping their businesses running and profitable.

Students will today bring home their semester reports. Having had the privilege of reading through all of them this week, I can say that we are extremely proud of all our learners and the growth they have been able to make in their results even when presented with the challenges of 2 bouts of remote learning and interruptions and noise due to the building works. Thank you also to the teaching staff who have spent many hours in preparing the assessments and comments for the reports.

I hope that everyone has a safe and healthy holiday and take some time to relax and reset for term 3.

Fiona Carson - Principal

Appin Park
Playgroup

EVERY MONDAY
10.00 AM - 11.30 AM
in the multi-purpose room

Starting Week 2 of Term 3

Bring fruit to share and a gold coin donation

Located at:
149 Appin Street Wangaratta

Casual Clothes Day Friday 25th June

Hot Milo available for everyone during recess at the canteen!

Please don't forget to bring in a gold coin for the donation towards the Gaga pit!

3/4 HAPPENINGS

The 3/4 team opened their cardboard arcade today to the rest of the school. Much fun was had by all students as they tried out the variety of challenging games. Max James from 5/6 said "I love the way they thought of some different things. Things I would never have thought of". The 5/6 students spent their hard earned Earn & Learn money trying to win themselves top spot on the game leader boards. Well done to all involved.

What's happening in the 5/6 Unit

Miss Gambold's class have enjoyed finishing up the term with a Rainbow Jelly Capacity Challenge! 5/6R have been learning about volume and capacity and had lots of fun with this hands on activity.

Kids' sports programs can cost a lot, and not everyone can afford it.
The good news is round 2 of the Get Active Kids Voucher Program is now open.

Do your children love sport and getting active? Does your family have a Health Care Card or Pensioner Concession Card? You may be eligible for up to \$200 to put towards the cost of your child's participation in sport and active recreation activities.

In Round 2, applicants can claim eligible expenses incurred between 1 January 2021 and 9 July 2021. Applications close 5pm, Friday 9 July 2021. Special consideration also applies for children named on their own valid Health Care Card or residing in Care Services. Additionally, temporary or provisional visa holders, undocumented migrants and international students may also be eligible to apply.

For more info go to www.getactive.vic.gov.au/vouchers

Apply for \$200 for sport fees, uniforms and equipment.
