Hello everyone,

Welcome to our week 2 newsletter.

This year our newsletter will be issued fortnightly (even weeks) and will be printed and sent home with the oldest child in your household. Please let us know if you would prefer to receive your copy electronically. The newsletter will contain more content regarding what is happening in classroom programs within each unit. We hope that you take the time to read the information provided as this is one of our main forms of communication keeping you informed of activities and upcoming events. The next newsletter will be issued on Thursday 18th February.

#### Parent Teacher Interviews

These will take place on Tuesday 16th and Wednesday 17th of February after school. Interviews can be booked via Compass from Friday (tomorrow). This is an opportunity for you to meet your child's teacher and share with them any pertinent information that may assist them in providing the best possible program for your child.

#### Assembly

Each Monday we have a whole school assembly in the BER. Parents are most welcome to attend maintaining Covid safe practices as outlined below.

#### COVID update

Following the Government's announcements regarding new statewide restrictions that came into effect at overnight, there is new guidance for schools regarding the wearing of masks. People aged 12 and over must wear a fitted face mask when in public indoor spaces. Children under 12 years of age and students at primary school or attending an OHSC program are not required to wear face masks. School staff are not required to wear face masks while teaching or caring, but those who wish to do so, can. Staff must wear face masks in indoor areas of the school when not teaching or caring. Visitors to school sites must also wear masks when indoors.

Appin Park continues to encourage the practising of good hand hygiene and ensuring physical distancing protocols are in place. Further advice regarding these measures will be provided when available.
