September

- 5 Athletics Day
- 14 F-2 Sleepover
- 15 Footy Day
- 15 End of Term

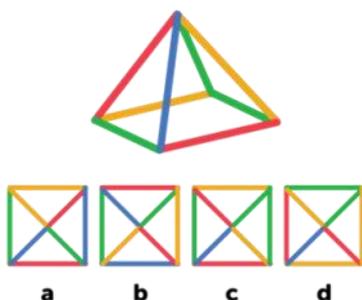

Hello All,

Next Wednesday will be our Book Parade. Students are encouraged to come along dressed in a costume of a book character for the day. The parade will be on the basketball court (we are hoping for some good weather) at 10.30am.

On Monday next week, we have two pre service teachers starting a placement with us. Nick Camp will be joining Mr Grant in 2G and Holly Lawrence will be working alongside Miss Gambold in F/1G. We welcome both Nicholas and Holly to Appin Park.

I'd like to thank Mrs Elliott, Lisa Bell, Denise Sear-Pirko, Jimi Pell and Sam Savage for the running of the book fair. The event saw a packed library over this past week, with numerous books and items being sold. We raised over \$3,000 and this will go towards new books for our library.

Which is the top view?

Thanks to those who had a go at last week's brain teaser which was *how many triangles were in the picture?* The answer was **44**. Our lucky winner from last week was **Bonny** from **3/4R**! Here is this week's question to try and solve at home.

Which is the top view of the pyramid?

Don't forget to come to the drive through tomorrow morning and put your answer in the mailbox.

Have a great week,

Craig Kerlin—Acting Principal

Principal's Award

Chloe Littel & Zara Pell for the excellent assistance they have been providing with Breakfast Club. Chloe and Zara have been willingly volunteering their mornings to help our ES staff deliver breakfast.

Certificates of Recognition

CASEA (CYMHS Early Action in Schools) is offering a free service to parents & families

CASEA offers support on:

- Ways to respond to children's emotions such as worry anger and sadness;
- What children need to develop socially and emotionally, along with ways to meet these needs;
- Calming strategies for children;
- Children's brain development;
- Parenting styles and strategies;
- Ways to set limits and use consequences.

Want to know more? Meet with the CASEA team outside the Foundation classrooms on Mondays during Term 3 at 3:15pm. If you would like further information, please contact the CASEA team on (02) 6051 7900.

Annual School Athletics

We will hold our sports day at the Athletics Track in Appin Street on **Tuesday 5th September**. All children compete in a variety of events. Children are in house teams and results gain points towards being awarded the Athletics Shield for the year. To add to the spirit of the day, children can wear their house colours. If you are unsure of your child's team please speak to their teacher.

This whole day program requires a great deal of help and support from parents and families. We need help with individual events and marshalling age groups. If you are able to help please send a message to school, indicating the area that you would be able to help with, by next Thursday, 24th August, or Dojo Mrs Martin.

We need help with high jump, long jump, triple jump, shot put, vortex and time keeping. We also need help with age groups (age groups are based on what age your child turns this year, however, some senior students may elect to compete with their classmates rather than age group). More information included in the newsletter closer to the event.

5/6 HAPPENINGS

5/6K are busy running their own restaurant, which includes meal costings for a main meal, dessert and drinks, budgets and working out quantities to serve the hungry masses. Preparation, serving and the dreaded cleaning up after the meal, are all a part of the task. Some of the foods that have been prepared and consumed have been carbonara, sausage rolls, nachos, rocky road, fruit skewers, red velvet cupcakes and freshly juiced drinks. The students are looking forward to future restaurant meals including mini burgers, tacos, and scones. Mrs Dykes and Mrs Leerson have the students excited about their learning, not only with the hands-on learning but also the written reports that are being completed throughout the term, reflecting on their work in their restaurant.

5/6 M are involved in an Earn & Learn quest where they applied to run a business or hold a bureaucratic role in the City of Martinville. Paying rent, water and electricity bills, insurances to cover lost clothing, messy rental spaces or non-completion of homework has certainly made them realise that their weekly 'wage' might not go as far as they initially thought. Some of the businesses that will be open for business will be a grocery store, hardware, electrical, clothing, jewellery and sports store, lotto agency, collectables, and a travel agent. The toy and pet store may be popular when they open their doors. The cinema has already been open for business, making a nice profit on day one. Hopefully the newsagent will have the first edition of the Martinville News in production by the end of next week. Learning about financial matters at a young age is certainly a worthwhile task and allows to develop a greater appreciation of money and having to work for it.

Sports News

Netball News

- ||| Congratulations to the Year 5/6 Golden Girls team and the Year 3/4 Nippas on a great netball season. The improvement from the start of the season to their last game was evident, with the skills and concept of game play and strategies improving greatly.
- ||| A very big thank you to all the people that helped with the teams, especially Karen McIntosh, Mardi James, Jackie Gardner, Tash Norris, Karlah Norris and former student Abby James, for their coaching and umpiring throughout the season. Without the support of family and friends to undertake these roles, our students wouldn't be able to participate in team events like netball.
- ||| Please wash and return dresses and bibs to Mrs Martin by next week, along with the netballs.
