Hello Appin Park Families

As this is our last newsletter for the year, I would like to take the time to thank more of the people that help make Appin Park Primary School the amazing school that it is.

Firstly, to our wonderfully patient team of Education Support Staff. Thank you for arriving every day ready to support classroom teachers and students in their learning, social and emotional programs. ES work can be incredibly challenging, but also greatly rewarding, your enthusiasm and commitment to our students does not go unnoticed.

To Nicole our Business Manager, I thank you for supporting us all with the day to day running of our school. Whether that be the financial or administrative side of things. It is a busy place and there is always something happening requiring another pair of hands.

To our compassionate and enthusiastic classroom and specialist teaching staff, thank you all for another busy and rewarding year. I feel most fortunate to work with such a professional team, one that goes above and beyond to support and develop relationships with all our students and their families.

Finally, to all our families and carers, I thank you for choosing Appin Park Primary School for your children. We are very proud of our school and are privileged to be part of such a special time in your children's lives. Thank you for your contributions and supporting us in working together to achieve the best outcomes we can for your child.

I hope that everyone has a wonderful Christmas, spending time with family and friends and a safe and happy new year. We look forward to seeing everyone at the beginning of the school year in 2024.

Take care,

*Fiona Carson - Principal*

Today saw our Family Night (morning) Presentation – slightly different from our usual event, but fun all the same. Thank you to those who were able to come along and watch. We hope to have the videos of each performance available soon. Special thanks to Jo and Adam Williams for helping cook the sausages for our sausage sizzle lunch, much appreciated by all our students.

*Community* – Chevy Hall and Sam Savage

## Breakfast Club

Thank you to all the kind people that have donated bread and toppings to our school breakfast club. On average we go through 3 loaves a day and your help goes a long way. A big thank you to Lisa, Comfort and Jamie for putting your time and effort in and making sure us students go to class with a full belly ready to learn. I also would like to say a big thank you to Mrs Martin for always making sure that breakfast club is running smoothly.

*Emma James & Ava Norris*

*Have a safe & happy Christmas and New Year from the staff and students at Appin Park !*
