Hello Appin Park Families

We held our assembly in the sunshine on Monday morning. Students from Mr Grant's grade 2 room shared some of the work they have been completing in their Mini Beasts quest including some beautifully crafted creatures. Thanks to Kyver and Chester for their report.

Geordie, Kushini and Bonnie gave some feedback around the recently finished swimming program on behalf of the grade 3/4 students and described some of the fun water activities they undertook improving their understanding of water safety and swimming skills. It is great to see the confidence our students are developing in speaking in front of an audience and sharing in their learning at Appin Park Primary School.

Students were also given some safety reminders around bike safety/scooter safety and expectations of students when waiting for pick ups at the drive through. We remind families to please drive through up to the yellow line where possible so more cars can get through and be off the street at the busy times.

Thank you to all those in grades 2, 3, 4 and 5 who have returned school camp expressions of interest notes over the last week.

*Fiona Carson - Principal*
