Hello Everyone,

Yesterday saw some tired, but happy campers arrive back from the grade 3/4 camp at Valley Homestead. It was wonderful to hear how proud the students were to stay away from home for two nights and challenge themselves through the different activities. Again, staff had very positive feedback from the camp operators regarding how polite and respectful the students were throughout the camp. Thanks goes to Mrs Martin, Mr Arnold, Miss Ammer and Chloe Impink for supporting the students while they were away.

Thank you to everyone who supported our Outdoor Movie Night last week. We were very fortunate to have calm, mild conditions. Thank you to Appin Park PS School Council members for their organisation and sale of drinks and popcorn. An extra big thank you goes to Jo and Adam Williams, and the Wangaratta Veterinary Clinic for their kind donation in support of the event.

## School Run4Fun Colour Explosion Fundraiser Friday 19th May

Students have received their sponsorship booklet and can create their online profile at [www.australianfundraising.com.au](http://www.australianfundraising.com.au). Big prizes are up for grabs! Unlock your first incentive prize simply by raising \$10 online. The more your child raises, the more prizes they will receive.

- Students should wear a white T-shirt. Casual clothes can be worn for the entire day. Students are also welcome to wear rainbow accessories on the day.
- \$5 donation on the day which enters students into the run. Students will receive rainbow headbands and sunglasses.
- Canteen will be open at recess - gold coin for a hot Milo & homemade cookies.
- Bus travellers must bring a change of clothing to change into before getting onto the bus.

*A huge thank you to everyone who has already begun fundraising!*

We acknowledge the Aboriginal people as the Traditional Owners of this land and we pay our respects to Elders past and present.

# 3/4 CAMP

The Year 3/4 students had a fantastic time at the Valley Homestead 3 day adventure camp. The students engaged in a variety of physical activities including, rock climbing, archery, dual flying fox, free-fall slide, a vertical climbing challenge and some bush survival experiences.

On the free fall slide when some of us were scared we encouraged each other and gave it a go.

*Bonny Febvre*

Rock climbing was very fun and we called out nice things to help everyone climb.

## 3/4 Quest

This Term our Quest is our Design and Technology based quest. We will create, develop, modify and run our own class "Cardboard Arcade". We will be using the engineering and design process, where we will imagine, plan, create, test, improve and share.
