Hello Appin Park Families

With just under two weeks before school finishes for 2024 I would like to take the opportunity to thank and recognise some of the more behind the scenes people who help to make Appin Park PS the great school that it is. Firstly, to our School Council parent members, Jo Williams, Jamie White, Steve James, Denise Sear-Pirko, Lisa Bell and staff members Wendy Martin, Robyn Elliott and Nicole Godde. Our team has regularly met this year to discuss and make plans for ongoing improvements for our school and better outcomes for our students. I thank them for their commitment and support.

I'm sure you'll agree that our school grounds are looking beautiful. We are very fortunate to have the green spaces that we do, and these are cared for by Peter Thrum on the mower and Mandy Mullens in the garden. I thank them both for the hours they spend in presenting our school grounds so beautifully.

To Leanne on the crossing and to Tony and Kevin who drive the shuttle bus thank you for being part of the team who look after and get to know our students, as well as getting them to school safely each day.

To the team who regularly work with TheirCare, Tash, Nicole, Jamie and Andy, thank you for providing a caring and welcoming environment in before and after school care programs and holiday care. We are proud to be able to offer this service to our families and the wider community.

Graduation Presentation

Tomorrow will be a special day for our grade 6 students as we celebrate their time at Primary School with a graduation presentation assembly to be held in the library. The presentation will begin at 9:15 and students have invited their families to come along and share in a final primary school memory. Congratulations to all our grade 6 students finishing this year, we wish you a bright and successful future.

Transition Day

Next Tuesday all students will take part in transition activities. Students will spend time in their class groupings for next year and take part in activities with staff working in those units. We will also welcome our 2024 foundation students back for their final transition morning.

Family Night

This will be held next Thursday afternoon, with a BBQ and soft drinks available from 5:00pm. The more formal part of the evening will commence at 6:00pm, with all students performing a musical item. The winning tickets for our annual Christmas Hamper Raffle will be drawn through the evening. We look forward to seeing you all there. Bring chairs and/or a picnic blanket.

Fiona Carson - Principal

This Week at Appin Park!
