18 Student Free Day

Hi Everyone,

What a busy week we've had at Appin Park. Alongside our normal classroom programs we have been able to provide several other experiences for our students in a covid safe way.

The junior school was full of book week fun on Monday as students took part in several activities celebrating book week and enjoying sharing stories together. The activities continued to provide a time for students to mix with those from other classrooms with plenty of laughs and voices being heard. Thank you to the junior school staff for their organisation.

Due to remote learning we were unable to hold our traditional school athletics day last term. In order to still have some sort of event we ran our mini Olympics yesterday, utilizing our beautiful, green oval. It was wonderful to see our students dress up in their house colours and support one another in a range of

fun games and activities. A big thank you to Mrs Martin and our House Captains for setting up activities and organising teams.

Finally today we had a footy colours day. The final total, to be donated towards Foodbank was \$513.80. Thank you to Mr Kerlin and 3/4K for helping organise the coin line and the longest kick competition on the oval. Unfortunately we were unable to have the traditional staff versus student footy game due to covid restrictions.

Next week will see our grade 5/6 students head off on camp with their teachers and support staff. We wish them a fun and happy camp and look forward to hearing all the stories upon their return.

Tuesday will see the first of our Foundation transition days for 2021 students. If you are yet to enrol your foundation student please contact the office.

Enjoy the long weekend!

Fiona Carson - Principal

## Housekeeping Matters

**If you borrowed a laptop during remote learning and haven't returned it, please do so ASAP. There are still a few chocolate boxes outstanding. Please return chocolates and/or money. Please contact the office if you are unsure if you have returned these.**

# BOOK WEEK REFLECTIONS

## Book Week

20/10/20 Imogen

The theme for book week was curious creatures and wild minds.

We created some amazing things.

My favourite activity was when we made hacky sack monsters by filling balloons with rice. The hacky sack monsters were my favourite because they are squishy.

I liked the other activities which were puppets and making your own monster by designing it on paper, because they were awesome ideas.

My hacky sack monster was a chicken.
