

APPIN PARK PRIMARY SCHOOL NEWSLETTER

22nd August, 2019

Hello Everyone,

All roads lead to the WPAC this week as the busiest week of the year comes to an end. A huge thanks to Mrs Martin and all teachers and staff for their flexibility and work around the production. The opportunity for all of our kids to perform in front of over 500 people will be the experience of a lifetime for some of them and worth all of the effort!

We have also had teachers away this week working on their own learning. Mrs Carson, Mrs O'Connor and myself, continued in the Primary Maths Specialist initiative and Mr Grant and Mrs Vescio spent a day of learning with international renowned educator Lyn Sharratt. The goal of this learning is to have a direct outcome on the day to day teaching and learning in all of our classrooms. We are fortunate to have these opportunities and that we have teachers to role model life long learning to our kids.

Congratulations to Jessica, Johnnie, Charlotte, Jesse, Cooper and Axel for their Gumleaf wins this week. They will be able to claim their prize next week after the excitement of The Lion King dies down.

Assembly was full of colour and excitement this week as our P-2s enjoyed a Book Week dress up and parade. Some colourful and well thought out costumes came out as we celebrated all that is great about books and reading.

Enjoy the rest of the week and the weekend!
