Hi Everyone

DRIVE-THROUGH REMINDERS: Please note these traffic management protocols around the use of the drive-through and car-park area in Appin St. We aim to keep all children safe, and to ensure a smooth flow of traffic. All parents should follow these protocols:

- The drive-through is for quick drop-off and pick-up only. It is a ‘no standing’ zone. If your child is not there waiting, ready for collection, please drive out and allow other vehicles to move on.
- If you wish to farewell your child with a kiss and hug in the morning, please do not do this in the drive-through. Use the car-park area instead.
- Turning right, across the traffic, into the drive-through at peak times, holds up the flow of traffic. Please do a circuit around Hulme Drive, and come back onto Appin St instead.
- Children and adults must not enter the drive-through on foot, this is not a walkway.
- A recommended parking map is in this newsletter. Please be courteous and make the best use of the available space.

If we all stick to these protocols, traffic should flow more easily, and congestion and frustration that can lead to accidents will be minimised.

THANK YOU APPA

The new piece of play equipment (a spider web climbing frame and two attached ‘twirl’ bars) was installed in the Grade 5/6 playground on Monday and is being very well-used. APPA raised the funds spent on this equipment through their very successful Mothers’ Day raffle. Thank you again to our hardworking parents club team, and to all families who bought, or sold, tickets on our behalf.

CHOCOLATES: Unfortunately our chocolates order has been delayed. We expect delivery in time for distribution next Thursday instead of today.

SPECIAL EVENTS: On Monday, 24th June, APPA will be offering a Hotdog Lunch (order forms will be sent home soon).

On Saturday, 31st August, School Council will hold their inaugural Car Boot Sale. Anyone with pre-loved treasures, craft items, baked goods, plants, clothing etc can book a site for their car, ute or car/ute & trailer. There will be a jumping castle and other activities for children, and food available. We are trying this as an annual community activity to have alternating with the school fete. Start cleaning out your store-rooms….More details following our first organising meeting. Any parent interested in helping with this event - please come to that meeting at 6pm on 17th June.

Wendy Larcombe
E-Learning Expo Extravaganza! Craig Kerlin, Beth Roseby, Leonie Bourke and the eLearning Academy students organised this event and I am sure all who attended will join with me in congratulating them on their efforts. It was great to see so many children teaching their parents new elearning skills.

Mini Maestros
On Friday 14th June the Preps will be travelling to Wangaratta Primary School to perform in a Concert with other Prep Classes from Wangaratta State Primary Schools. The performances will start at 11.30am and finish at approximately 1pm. We would love to see parents and friends come along to watch the performances.

From The Chaplain… Opportunity for Interview
In a few weeks there will be an opportunity for parents to meet with teachers to discuss the progress of their children. As I have seen a number of children throughout the course of the year I would like to make an opportunity for any parents who might like to talk to me. I will be available on Tuesday and Wednesday 25th and 26th June from 3:30-5:30pm. Please fill in the form and return it to your child’s teacher. I will return the form with your time.
The interviews will take place in my office in the BER building.
Kind regards,
Chaplain Beth

I would like the opportunity to talk with Chaplain Beth about my child.

Nihongo News

Preps~Gr2 heard JP stories last week. Preps heard one about the Boys Day festival and Gr1~2 heard the traditional story of Issunbōshi. This week, they illustrated their favourite part of the story. Gr5~6 used their numeracy skills to translate a variety of numbers relating to JP geography, history, shopping and entertainment. It was done under test conditions, so it will be interesting to see the results when we mark the sheets next week. Some of the kids expressed their surprise to find that numbers and counting are the same in JP & EN, "...we just make different sounds.", as one deep thinker commented.

Monoshiri Sensei’s Culture Tips

Paige E (5/6CR), under extreme pressure, worked out last week's nazonazo. The connection between hana (nose or flower) & hanabi (fireworks) is that hanabi literally means fire flowers. For this week's nazonazo, tell us the meaning of Issunbōshi. The first correct answer to me or the main office is the winner.

State Sporting Trials
Last Sunday and Monday both Mitchel Holt and Chloe Storer travelled to Melbourne to participate in further trials for football and basketball State teams. Mitchell played a number of football games on Sunday with other boys from both Metropolitan and Country areas across Victoria. Although he played solidly in his games Mitchell has not been selected to attend further sessions. The following day Mitchell then attended a basketball trial day, along with Chloe, where they had to play 8 games. There were approximately 60 other students vying for 16 spots to attend a two day camp held during the holidays. Chloe performed strongly and has been selected to go to the camp. There will be a final 60 students attending this camp from which the Victorian team will be selected. Well done to both Chloe and Mitchell for their efforts and making through a few stages of their chosen sport. All the best to Chloe for the next stage in her campaign to be selected into the Victorian squad.

Wangaratta Basketball
Congratulations to Mitchell Holt who won the Most Valuable Player award for the Under 12 Basketball competition. This award is voted for by the umpires and is given to the player who shows great skill and sportsmanship when playing their games.
