Hi Everyone

**PARENTING IN THE PRE-TEEN YEARS**

**A SESSION FOR PARENTS OF STUDENTS IN GRADES 3-6**

Chris Downing (social worker) & Caroline Evans (psychologist), will present information for parents on **TUESDAY, 27th AUGUST, 5.00-6.00pm.** This session will cover the social issues, changes related to developmental stages, tips for emotion coaching and building resilience. All welcome.

**VENUE: APPS Library**

**WORKING BEE - Saturday, 24th August 2.00-5.00pm**

All families are invited to attend this working bee. We will be pruning, paint-scraping, weeding, whipper-snipping and spraying (weather permitting). BYO spade, fork, gloves, spray pack, whipper-snipper, blower ...

A sign-in sheet and job list will be near the front entrance. Come along and help out.

**CAR BOOT SALE - SATURDAY, 31st AUGUST - 10.00am-1.00pm:** If you have any useful items for School Council to sell on our site at the car boot sale, please bring them along to school next week. We will make a collection point for donated items in the BER building (reading den at the end closest to the Special School fence). Please let office staff know, as you arrive, that you are leaving items. Thanks in anticipation! Sites are available for the day. Register with Sandra Makin.

We hope that all school families will support this event, and bring friends and relations along too. BBQ food, coffee & cake, rides for the children and a chance to rummage through treasures - a great Saturday Morning family outing!

**SCHOOL UNIFORM SUPPLIERS:** A full range of the school uniform items specified in our uniform policy are available from both Steers Clothing, and from North East Uniforms & Embroidery.

**NATIONALLY CONSISTENT DATA COLLECTION ON SCHOOL STUDENTS WITH DISABILITY:**

Our school has been selected to participate in the Nationally Consistent Data Collection on School Students with Disability (Data Collection). This is taking place in schools across Australia and will provide information about the number of students with disability in schools, where they are located and the adjustments they receive. The information provided by this new data collection will enable all governments to better target support and resources. This will assist students with disability to complete school and go on to further education or find employment.

If your child is eligible to be included in the Data Collection, you will be sent a Privacy Information and Consent Form in the next few weeks. Inclusion in the Data Collection is voluntary. If you wish your child to be included in the Data Collection, please complete the Privacy Information and Consent Form if one arrives and return it to the school office. We hope all selected families will provide this support.

SCHOOL COUNCIL NEWS: At our meeting on Monday night we discussed a number of recent developments including the improvements to our school website, the development of whole school curriculum plan and our indicative enrolment for 2014.

At this time, we have a slightly smaller number of enrolled Preps for 2014 than we had this year. Ideally, we would like this number to be growing. The flexibility to offer programs like our emergent Music program and to group children strategically are increased when cohort numbers increase.

I ask all parents to act as advocates for our school in the community. I am always happy to show prospective parents our school. The following things that make our school such a positive learning environment should be celebrated:

- Our school community is very supportive, and our staff are dedicated and caring
- Students are cooperative and switched onto their learning, meaning that our classrooms are calm and focussed; giving children every chance to be their best
- Our school grounds allow children to play creatively and actively
- Our core programs and specialist offerings are excellent, as are academic standards reached by our students
- The Quests program, our eLearning programs and high quality literacy and numeracy teaching ensure children have a high level of learning confidence, engagement and attendance
- Our curriculum program is well-organised and comprehensive, and prepares students well for their next level of learning
- Our Student Attitudes to School and Parent Opinion survey results are very high; matching or exceeding state and regional scores

At the meeting, we again congratulated APPA for their efforts in raising funds to provide great classroom resources and additional learning tools.

ATHLETICS SPORTS DAY: We will gather at the Appin St Athletics Complex next Wednesday morning. It is always great to see a large group of parents there, even if for their lunch break, supporting the children and encouraging them to do their best. The day takes a fair bit of organisation and early morning setting up - THANK YOU to Wendy Martin, Andrew Storer and Greg McCormack (Bill) for this work. If you can, please bring a tarp or waterproof rug to share at lunchtime. The ground may still be quite damp, despite a good forecast.

Wendy Larcombe

From The Chaplain…HELPING KIDS HANDLE STRESSFUL SITUATIONS

Adaptive distancing is a strategy parents can use to help children handle stress, worries or disappointment. It could be called ‘common sense’. Here are some strategies that may help:

- **Thought Stopping** – help kids being overwhelmed by parking their thoughts or worries for a while. “That’s enough of those thoughts for now. Think about it after lunch, but leave them for now.”
- **Mental Distraction** – read, run, write or roam. Anything they can do to distract themselves.
- **Move away from a situation** – physically removing themselves from a situation temporarily relieves stress and worry. A break from the study room, a walk outside or a visit to the shops gives kids the change they need.
- **A special Place** – help kids find a special place or thing where they can take solace and draw strength. For example, a cubby house, their bedroom, the garden, a diary.
- **Offering Hope** – ‘this too shall pass’ is a powerful lesson to learn at any age.

By learning to handle the small ups and downs of everyday life, children develop resources that help them to manage the larger hardships that will inevitably come their way.

Wendy Larcombe

APPRA RAFFLE

Thanks to Scouts Australia

For every $2 ticket sold,
Appin Park receives $1.50.

Please return all raffle tickets and money to the office by Monday 26th August.
STUDENT ACHIEVEMENT AWARDS
The Appin Park Community congratulates you. Students will be awarded their certificates at Monday’s Assembly

PB Claudia Trim for being a cheerful class member who is always willing to help others.
PV Lily Knox for the great effort she is putting into her learning activities. Keep it up!
1S Emily Cooper for working hard on her reading strategies and for her excellent drawing skills. Well done!
1/2M Jonty Grace for always playing games fairly and co-operating well with his peers.
2E Mason Espejo for displaying a positive attitude in our “Time to Shine” Academy, encouraging others to participate. Thank you, Mason.
2F Bella Barham for the excellent skills she is displaying in our unit on money. You should be very proud of your efforts, Bella.
3/4A Lucas Paola for the determination he has shown to become fluent at identifying number complements to 10. Keep up the great attitude, Lucas!
3/4B Dylan Stubbs for the positive attitude he shows towards his school work and the great work he is doing in the classroom.
3/4C Rebecca Semple for her excellent work choice in her creative writing and for being a caring and considerate classmate.
3/4D Matthew Vickery for doing extra maths homework to improve his number fluency.
3/4F Simon Moffat for the enthusiasm he is showing toward all areas of his learning. Keep up the great attitude, Simon.
5/6A Hannah Nish for the wonderful way in which she has set up her shop in “Earn and Learn” and her positive attitude to our Quest.
5/6C Mitchell Holt for achieving his goal of increasing his writing stamina and taking on the challenges of using different ideas and thinking of sentence fluency when writing short stories. Well done, Mitch.
5/6K Jasmine Scholz for all the great help and consideration she shows towards others and the extra work she puts into looking after our pet guinea pig.

APPIN STAR AWARD

Aiden Bartlett
For his positive approach to all his learning tasks, his willingness to participate and his helpful manner in the classroom. Well done.

Tristan Roleff
For the excellent manner in which he approaches his learning tasks and the confident manner in which he mentors other students, especially in ICT sessions.

SPORTS AWARD

Jessica Vincent
For her consistent efforts to keep improving her fitness and skill level. She has been able to see improvement in her results through her positive attitude and work ethic. Well done, Jess.

Artist of the Week

Edith Neary
For her pastel work on her still life picture. Her use of colour and blending techniques were excellent. Well done, Edith!
School Concert and Production – Tuesday, 15th October

Featuring Prep – Grade 4 Musical items plus the 5/6 Production of “Cinderella Rockerfella”.

Two performances - Matinee 12:30pm, Evening 6:30pm.

Tickets go on sale on Monday 2nd September. All tickets will be sold through the Wangaratta Performing Arts Centre Box Office and website. TICKETS WILL NOT BE AVAILABLE THROUGH THE SCHOOL. Cost $8.00 per ticket. Parents do not need to purchase tickets for APPS students, they will watch a preview performance at school prior to the event and will be involved in activities backstage for the duration of the concert.

OUR REGULAR GRADE 5/6 FRIDAY REHEARSAL WILL BE AT APPIN PARK TOMORROW – PLEASE DON’T GO TO WANGARATTA WEST PRIMARY SCHOOL.

Parent Helper Production Meeting – Friday 30th August 2:30pm APPS Staff Room.

If you are able to assist with costumes or props for our production we would love to see you at a meeting on Friday 30th August at 2:30pm in the staff room. If you are unable to attend and can sew or make props, can you let Heather Foster know and a job will be allocated to you.

Art Room News

Appin Park students have been very busy working towards several projects in the art room. Yesterday I dropped off 170 pompoms at Australian Country Spinners. These will become part of Country Spinners attempt to break the Guinness book of Records record of the longest pompom garland. Watch the media for reports of this event. We used the pompoms that we made for the Stitched Up festival and made some more with the wool donated to us by Country Spinners.

In conjunction with Australian Country Spinners we are involved the Wool in Schools Project. This project involves working with children and wool. We have done lots of wool related activities and we now have a knitting club running once a week. Country Spinners have provided each participating student with a kit, which contains wool and needles. This is a very keen group who are going really well so far. Thanks to Heather Thrum, Jo Bell, Nicole Godde, Shirley McDonald and Sandra Makin for their help in teaching our kids to knit.

Students from Grade 3/4 are currently doing some Ned Kelly painting in the style of Sidney Nolan. Some of these will be on display at the Wangaratta show this year and some will be in frames on the walls at the Hospital early next term. Some students will also be helping with the Guinness book of record attempt at the longest garland of bunting. These are small triangle flags sewn together in a garland. We are using the Stitched Up one that we made. The organizers of this are from Yackandandah. Our Art Room is buzzing with all the interesting activities that are community related whilst improving their art skills.

Ros Janas

Sports News

Swimming Championships

Last weekend saw the Victorian Country Short Course Swimming Championships held in Wangaratta. This is a highly competitive meet with over 450 swimmers participating from across country Victoria. Three of our students competed in a number of events. Gabe Watson, who is relatively new to competitive swimming, swam in 6 events, producing 5 personal best times, with his best result finishing 7th in the 50m Breaststroke final. Eliza Shiels also swam in 6 events and improved her times in 4 of them, with her best result being in the 50m Backstroke where she placed 7th. Nicole Shiels improved her times in 5 out of her 6 events. She competed in two finals events where she finished 5th in the 50m Backstroke and 8th in the 100m Individual Medley. Congratulations to each of these students. Great results achieved in very competitive races. Well done.

Netball Skirts

Just a reminder to the few Grade 3, 4 & 5 girls to please wash, iron and return your netball skirt to Mrs Martin. Thank you to the majority of players for returning your skirts promptly.
ON WEDNESDAY, 28TH AUGUST (next week) the whole school will be involved in our annual athletics sports day, held at the Athletic Complex on Appin St. All children will need to take their own lunch and drinks, as well as appropriate clothing in case the weather is on the cooler side. No child will be allowed to go across to the shop to buy anything. (Please make sure that your child has a good drink container as these will be placed in large containers and taken around with them to each of the events.)

The children do not have to wear school uniform – it’s great to see all the children wearing the different colours of the house teams, it really adds to the atmosphere of the day. (It is not compulsory to wear house colours.) The children must wear shoes for all activities. Please make sure that all your child’s belongings are well labelled.

The children will walk to the track from school, leaving at 9.05 am. (There may be some older children who will be required to be at the track prior to 9.00 am to participate in a 1500 m event, however these children have been given a special note already.) The first event of the rotational timetable is to begin at 9.45 am. There will not be a morning break as such, and the lunch break will be taken at 11.45 through till 12.45 pm. During this time there will be some relay events taking place for the older children. The afternoon session will begin at 12.45 and go through till 2.45 where a presentation of the Athletics Shield will be presented to the winning team. (Everybody who participates will gain at least 1 point for his or her team, per event.) A timetable is included on the reverse side of this sheet.

At the end of the day the children will then walk back to school with their class teacher. If you are taking your child/children home from the track then please inform their class teacher. If you would like your child to walk home immediately from the track then please send a note to their teacher on the morning. Every child will be given a participants card. This will need to have their name and their age group written on it (age is what the child turns this year and the group that they are participating with) and will need to be secured to their shirt – pins are best. Most of the children will be given their card on the Tuesday and must remember to bring it with them on the day of the sports. (Some of the younger grades keep the cards at school and ask the children to bring along the pins.)

Thanks to those parents who have offered their assistance throughout the day. Your help is appreciated. I will send a note home on Monday to inform you of your role on the day. If any other parents are available to help please don’t hesitate to ask somebody. Hopefully parents/friends will be able to come along and support all the children competing. Your encouragement helps make the day more successful for all those involved. (In case of inclement weather an announcement will be placed over Edge FM between 8.00 – 8.30am.)
