4. GUIDELINES

How to Raise a Concern or Complaint

4.1. In the first instance, a complaint should be made directly to the school. The complainant should telephone, write to or visit:

4.1.1. The student’s classroom teacher about learning issues;
4.1.2. The team or unit coordinator if students from several classes are involved;
4.1.3. The principal or assistant principal about issues relating to complex student issues;
4.1.4. The principal about issues relating to staff members, school policy, school management, or extremely complex student issues.

4.2. If you are unsure of whom to contact, please telephone the Principal on 5722 1326. The Principal will then organise for an appointment to be made with the appropriate personnel.

Support Available When Raising a Concern

4.3. Complainants can seek the services of an advocate when they feel they are unable to express their concern clearly. An advocate can be a friend or someone who is available through an appropriate organisation who does not receive a fee.
4.4. All parties involved in addressing a complaint may seek the services of a mediator when there is difficulty coming to an agreement.

Managing and Addressing Complaints and Concerns

4.5. The school will record the following details of all complaints received onto a template which includes the provision for:

4.5.1. The name and contact details (with permission) of person making complaint/raising concern;

4.5.2. The date the concern was expressed;

4.5.3. The form in which the concern was received (e.g. face to face, letter, telephone, email);

4.5.4. A brief description of the complaint;

4.5.5. The details of the school’s response;

4.5.6. The action taken relating to the concern/complaint;

4.5.7. Any recommendations for the future.

4.6. However, when the complaint is easily resolved in a telephone call, briefer notes will be kept.

4.7. All records of complaints received will be stored in a secure location within the school security room.

4.8. The school will make every effort to resolve concerns and complaints before involving other levels of DET.

4.9. The school will provide a complainant with a copy of the APPS Raising Concerns and Complaints Policy. The school will determine whether a concern or complaint should be managed through the school’s complaints processes or through the processes of DET.

Timeframe

4.10. The school will make every effort to resolve a concern or complaint as quickly as possible. If a complaint involves a number of students and/or a range of issues, the school will require additional time to fully investigate and resolve the complaint.

4.11. Should the complaint involve complex issues, the school may need to take advice from the DET Regional Office which may take additional time. The school will then inform the complainant of the adjusted time frame and any reasons for delay. In all cases the school will try to resolve a concern or complaint within twenty working days.

Remedies

4.12. If a concern or complaint is substantiated in part or whole, the school will offer an appropriate remedy. This may include one of the following:

4.12.1. An explanation of further information about the issue;

4.12.2. Mediation, counselling or other support;

4.12.3. An apology, expression of regret or admission of fault;

4.12.4. A change of decision;

4.12.5. A change of policy, procedure or practice;

4.12.6. The cancellation of a debt or a refund.
Referral of Complaints or Concerns

4.13. If a person with a concern or complaint is not satisfied with the outcome determined by the school, they should contact the Hume Regional Office. The officer from this regional office will ask the complainant for a complete factual account in writing of the concern or complaint and the complainant’s opinion about why the school did not resolve it to their satisfaction.

4.14. If the complaint cannot be resolved by the complainant, school and regional office working together, the regional office may refer it to the DET Group Coordination Division. The Division will ask the complainant for a complete and factual account in writing of the concern and request the complainant’s opinion as to why the issue was not resolved and their course of action on how the issue can be resolved.

4.15. When the complainant is unable to provide a written account, the Group Coordination officer should act on the information provided.

Communication

4.16. The school will make information about procedures for addressing concerns and complaints available to parents and the school community, in clear and easy to understand language and, where appropriate, in a range of languages and formats easily accessible to everyone so that no-one is disadvantaged.

4.17. The APPS Raising Concerns and Complaints Policy will be:

   4.17.1. Included with the enrolment package handed to all new arrivals at the school;
