Hello Everyone

Once again, we thank all our families for transitioning back to school on Tuesday, after what was a surprisingly short period of remote learning. The quick return was most unexpected, but it is great to have students back at school. We've been fortunate that the oval has dried up a bit and we are able to use more of our yard for games and outdoor activities.

As we have mentioned before going back and forth between lockdowns is incredibly challenging and everyone responds differently. If you have noticed any changes in behaviour in your children, please don't hesitate to contact your classroom teacher or myself to discuss ways we may be able to help and suggest available supports.

## Just Kids After School Care and Vacation Care Program

It was with much sadness and regret that School Council has made the decision to suspend our After School and Vacation Care Program for an indefinite period of time. We are unable to provide ongoing suitably qualified staff to run the service. The current service will finish on Friday, 27<sup>th</sup> August. Families who currently use the service were notified yesterday via email.
