4 First Day of Term 4

Hello Everyone

Even with remote learning taking place and all the challenges that come with it, staff and students have continued to celebrate learning this week. Webex meetings have been very well attended with the 5/6 team topping the list with over 40 students in the one meeting. Our Webex meetings give students an

opportunity to see their friends and teachers on screen, take part in mini lessons in literacy and numeracy, go through the tasks in learning packs, ask questions and seek clarification and share the work they have been doing from home. Keep up the great work everyone, we are all proud of the effort you are displaying.

Book Week has been celebrated through the week with some classes dressing up for their meets and sharing their favourite books. Mrs Martin has been taking us through some routines to keep everyone moving and Chaplain Bec is about to launch "9 emotions in 9 days".

At Appin Park we're getting ready for R U OK? Day with a 9 day challenge. Check out the video on Class Dojo to find out more. Let me know what emotions you think we should cover. This is a challenge for adults and kids, and we hope you will all get involved in this challenge to improve your emotional literacy.

Fiona Carson - Principal

Just Kids

Last week at Just Kids we were able to thank and farewell Gina for her many years supporting our after school and vacation care programs. Gina provided a warm and welcoming environment and showed a great deal of care and patience for all the children who have taken part. We will miss her very much and wish her well.

Hi Everyone,

I hope you are all managing to keep smiling with this latest lockdown and remote learning. I wanted to take this opportunity on behalf of school council and the school community to say a massive thank you to our dedicated team of educators: the work you guys are doing in supporting our kids (and us) as we swing in and out of remote learning is greatly appreciated. I can only imagine how much work goes into changing lesson plans, preparing learning packs, contacting families and running remote learning, along with managing lockdown in your own households. You are doing a fantastic job - thank you!

Jo Williams
School Council President

Pie Drive order delivery has been postponed due to the current lockdown. A new collection date will be advised via Compass as soon as it is arranged.
