Hello Everyone,

Today I had the pleasure of taking our grade 5 and 6 students for PE, in the absence of Mrs Martin who is at Somers Camp. It was made so enjoyable because our school values were on display from the word go. They were demonstrated in the way students took responsibility for setting up the equipment for the game, showed respect for one another throughout the game by using positive and encouraging language in explaining rules patiently with new students, and showing care for each other through being honest and self umpiring throughout the game. This is what makes our school such a supportive environment for all our students and something for which we can be extremely proud.

Another reason to be extra proud of our school is that we were named amongst some of the best performing schools in the NAPLAN results for 2021. This, despite the challenging times the last couple of years have presented to students, families and staff.

Respect Responsibility Caring
Helping our children to manage their emotions, sometimes means we have to learn to manage our own.
Keep this in mind when challenging behaviours present themselves.
Your child is not giving you a hard time, they are having a hard time.
Our behaviour is not who we are. Our behaviour communicates our emotions.

3/4 HAPPENINGS

Patches and Gary

We (kids) will look after them

- Food and clean fresh water
- Clean cage, clean straw
- Take them outside/bring them back
- Tender, love and care TLC
- Share them
- Take them home on the weekends (roster)
- Organise a swap if you can't look after them when it's your turn

We have 2 male guinea pigs called Gary and Patches. They are both very cute and nice to cuddle. They help us to be calm. We leave them outside so that everyone is able to enjoy playing with them. We take them home on the weekends. We love having them.
