Hello Everyone,

As we have learnt over the last two years, sometimes things just don't go to plan. I'd like to thank Nicole Godde and Craig Kerlin for looking after the office whilst I've been in isolation this week. I have an even greater respect and admiration for anyone who has been required to work from home or have had members of their families contract COVID during the pandemic.

This week our grade 3/4 students and staff have been attending 15 Mile Creek Camp, experiencing some challenging and fun activities as you will see in the photos over the page. Unfortunately this morning one of students tested positive to COVID, therefore the students who shared that cabin are now required to isolate for 7 days. I want to thank the parents who went and collected their children from camp this morning. I completely understand the inconvenience of this, however it is a reminder that COVID is still rife in the community and

that the procedures are very clear, regarding close contacts and isolation. We continue to encourage you to undertake twice weekly testing for your children and to keep your children home if they are unwell.

Athletic Sports Postponed

In response to this, the number of students that have been unwell or have been required to isolate over the last few weeks, as well as the difficulties in finding replacement teachers for staff, **we have made the difficult decision to postpone our Athletic Sports that were planned for Tuesday.** We have an alternative date booked in September, which hopefully will put everyone in a better position healthwise and give all students the opportunity to practise the events and be able to produce their personal best results. We still encourage students to dress in house colour next Tuesday, as those at school will be participating in some whole school activities on the oval between recess and lunch. More information will be available about his activity on Monday.

School Photos

These will be taken on Monday 2nd May. Envelopes have gone home today and need to be returned prior to photo day. Instructions on how to order are contained in the information.

Easter Fundraising Raffle

Thank you to everyone who has returned raffle books and donated Easter treats for our hampers. The raffle will be drawn on Friday before recess and winners notified by phone.

Respect Responsibility Caring

Children need at least one person in their life who thinks the sun rises and sets on them, who delights in their existence, and loves them unconditionally.

Pam Leo

Our behaviour is not who we are.
Our behaviour communicates our emotions.
